**ORDER APPROVING PROPOSED  
NOTICE PLAN**

15 Re: ECF No. 50  
16  
17

18 The parties to this action filed a proposed notice plan with the Court on July 24, 2014. See  
19 ECF No. 50. The parties disagreed as to whether two statements should be included in the notice:  
20 Plaintiff sought to add the statements, while Defendants believed them unnecessary. Id. at 1.

21 The Court hereby APPROVES the proposed notice plan, as drafted and *without* the two  
22 statements in dispute. The Court DIRECTS the parties to provide notice to shareholders as  
23 required in the plan, and to do so no later than thirty days from the date of this order.

24 **IT IS SO ORDERED.**

25 Dated: August 4, 2014
